

PERSONAL PROTECTIVE EQUIPMENT POLICY

Australian Post-Tensioning Pty. Ltd. is committed to providing a safe and healthy system of work with the protection of Personal protective equipment. This policy applies to all AusPT employees in the course of their employment. Management fully support the integration of this policy by providing appropriate resources, training and assistance to ensure all employees implement safe work practices.

Australian Post-Tensioning Pty. Ltd. Agree to supply all employees on site with all necessary Personal Protective equipment to safely and satisfactorily complete all tasks required as part of their employment and our scope of works.

All AusPT employees as a minimum must wear;

- Hard hat
- High Visibility vest or High visibility approved shirt
- Steel capped work boots
- Safety glasses & gloves as required as per SWMS

Management, Leading Hands & individual employees are responsible for the review, agreement and implementation of this policy.

A handwritten signature in black ink, appearing to read 'AK', is positioned above a horizontal dotted line.
